We introduce a festival in Kochi. It's called Yosakoi.
Kochi is famous for Yosakoi Festival.

Yosakoi was held for the sixty-first time this year.
People dance at Yosakoi Festival.

I like to watch them.

Their costumes are beautiful.

Each team has its own music and
costumes. There are many commendations.

It is held on August tenth and eleventh.

Because we don't have much rain on those days.

It was a dance on tatami mats in the past.

Yosakoi was changed in March in 1950.

You can make many friends if you dance at Yosakoi.
