Yosakoi festival is a traditional dance festival in Kochi Prefecture. We dance Yosakoi with pairs of naruko, Japanese castanet like instruments. They make chick-clack sounds.

Yosakoi festival takes place for four days every year -- from August 9th to 12th

During the festival, many Yosakoi teams pass through the downtown areas of Kochi City while dancing.

Yosakoi is a festival which anyone from adults to children can enjoy. To dance at Yosakoi festival, it is necessary to use naruko in colorful costumes. We decorate a truck called jikatasha.

Our recommended performance team is Honiya. Honiya has won various awards.
