There is a popular snack made from sweet potato in Kochi.

It is called imokenpi.

There is also Kochi only ice cream.

It is called icekrin.

Icekrin is mixed ice cream with sherbet.

It is a unique taste.

Various vegetables are grown in Kochi Town.

For example, tomatoes, eggplants, corn and green peppers are grown there.

They are so nice!

Please make sure you eat vegetables, icekrin and imokenpi in Kochi when you come.
