There is a dialect in Kochi.

We call it Tosaben.

I introduce what we say in daily communication.

For example, when Kochi people say "good" they don't say "yo", they say "ei".

Being a good friend means to be nakaei.

If you come to Kochi, learn Tosaben.

"Kinkon Tosanikki" is a very interesting comic. It is wonderful.

It is drawn by Muraoka Masahiro.

He is from Kochi.

Kinkon is serialized in the newspaper

Kinkon is very popular in Kochi.
