

1	Food in Kochi	Dhara Kana
2	Nature in Kochi	Shimada Ayano

1

Kochi prefecture is famous for delicious foods. I'd like to talk about fish caught in Muroto City.

~ why is the fish good? ~

The city of Muroto has a lot of harbors.

The sea doesn't become dirty because the city of Muroto doesn't have any big factories.

So we can catch a lot of good fish.

2

Kochi has rich nature.

The air is fresh and clean in Kochi.

There is a big stone called "Goto goto-Ishi".

Many people visit it to make a wish.

When people push it, it moves a little. But no one can make it fall.

It's very hot in summer. But it's warm in winter.

Much rain but relatively a few typhoons in Kochi.

That's why there are a few natural disasters.

Compared to northern Japan, Kochi has higher temperatures and less snow.

It's comfortable to be in Kochi throughout the year.

Interview to the person who took a trip from Tokyo.

Q. What do you think of Kochi?

A. Kochi is the best anyway.

Q. What do you think of the best thing in Kochi?

A. People in Kochi have hospitality.

A. I'm glad to come here.

People in Kochi give "Omotenashi" especially to people from the other prefectures and foreign countries.
